Lean Start-up & Minimum Viable Product/Business – Mentoring Session

REPORT OF THE PROGRAMME

Programme Location: G.T.N ARTS COLLEGE, DINDIGUL
Date: 18-08-2022

The Department of B.Com CA has organized a one day webinar on “Lean Start-up & Minimum Viable Product/Business – Mentoring Session” on 18.08.2022 at Classrooms at 3.00 PM. The inaugural session witnessed with presidential address given by Convenor IIC, Dr.J.Sathyabhama Asst.Prof, Dept. of Chemistry, G.T.N Arts College, Dindigul and followed by a special lecture given by the chief guest Dr. D. SURENDRAN, Founder & CEO, SKS Skills Fasteners, Coimbatore. He explained on Lean startup as a methodology for developing businesses and products that aims to shorten product development cycles and rapidly discover if a proposed business model is viable. He emphasized on how customer feedback is over intuition and flexibility over planning. This methodology enables recovery from failures more often than traditional ways of product development.

A total of 81 students of second year were participated. The entire session was very informative and useful to the students. A detailed explanation of entrepreneurship was given and also students asked many doubts and got clarified.
